

501 Farndale - Response to Inspection Report

Major Safety Issues or Higher Expense Repairs (Noted in Red in attached Inspection)

Exterior Components

The peeling paint and wood rot has been reported to Berkshire Hathaway Home Services (Property Manager) for repair.

Exterior Components

The majority of the windows in the unit are newly installed and have been properly caulked as part of the installation. Four windows, the picture window in the foyer and the half moon window in the dining room and two-bathroom windows have not been replaced. The two windows not replaced in the front of the Unit have been caulked.

Attic, Framing/Active moisture stains.

Ireland Contracting replaced the roof on 501 in February of 2024. I had them come out to investigate the inspection result and their agent indicated that the stains are completely dry, so in fact, may have been due to a leak prior to the new roof installation. However, he noted that the bathroom vent (called out in Hallway Bath section of the report, runs horizontally, and not vertically as it should to properly vent out moisture. I will be having this situation rectified. Ireland Contracting will relocate the vent pipe. The stain has been professionally painted. I do not anticipate any further problems in this area.

Unfinished Basement, Moisture and Dampness

There is efflorescence and has been since before I owned this property. I originally asked the HOA whether they would dig up the front of the unit to do the long-term, necessary repair of sealing the block and they indicated that they would not do this repair due to the expense and difficulty of access. The only feasible treatment at this time is applying a sealer and paint and keeping that treatment up to date, along with dehumidifying the basement as needed. I have had this professionally sealed and painted in May of 2024.

As for grading the property, that would fall under HOA as well and I have not asked for this to be done, given the topography of this lot. The efflorescence is happening in the basement at the location of the front of the unit. The front garden slopes toward the unit. Regrading would be very difficult and immensely expensive.

SELLER INFORMATION

Seller(s) Name(s): KATHERINE A. FISHER WPML LISTING # 05/2022 REVISED
 Property Address (Mailing Address and Municipality of Property) (hereinafter referred to as the "Property"): 501 FRANKALE RD, PITTSBURGH PA 15238 OHARA TOWNSHIP
 Approximate age of Property: 23 (2001) Years Seller has owned Property: 6

NOTICE TO PARTIES

A Seller must comply with the Seller Disclosure Law and disclose to a Buyer all known material defects about the Property being sold that are not readily observable. This document must be completed by the Seller and each page initialed by the Buyer and Seller following their review. This Disclosure Statement is designed to assist the Seller in complying with disclosure requirements and to assist the Buyer in evaluating the Property being considered. This form is to be completed by every non-exempt Seller, even if the Seller does not occupy or never occupied the property. The compliance provisions are generally described in paragraphs 19 and 21 below.

The Real Estate Seller Disclosure Law requires that before an Agreement of Sale is signed, the Seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law, 68. P.S. §7301 et seq. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where **NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS** are involved. The law defines a number of exceptions where the disclosures do not have to be made, and these exceptions are as follows:

1. Transfers that are the result of a court order.
2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
3. Transfers from a co-owner to one or more other co-owners.
4. Transfers made to a spouse or direct descendant.
5. Transfers between spouses that result from divorce, legal separation, or property settlement.
6. Transfers by a corporation, partnership, or other association to its shareholders, partners, or other equity owners as part of a plan of liquidation.
7. Transfer of a property to be demolished or converted to non-residential use.
8. Transfer of unimproved real property.
9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship, or trust.
10. Transfers of new construction that has never been occupied when:
 - a. The buyer has a warranty of at least one year covering the construction;
 - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
 - c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

Except where these exceptions apply, the Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law as they may be amended and is required to make disclosures in accordance with the provisions of the Law. Although there are exceptions to the requirements of the Seller Disclosure Law, certain disclosures may still be required under Common Law.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by the Seller and **is not a substitute for any inspections or warranties** that the Buyer may wish to obtain. This Statement is not a warranty of any kind by the Seller or a warranty or representation by the West Penn Multi-List, Inc., any listing real estate broker, any selling real estate broker, or their agents. The Buyer is encouraged to address concerns about any condition of the Property that may not be included in this statement with the Seller and/or by and through an appropriate inspection. This Statement does not relieve the Seller of the obligation to disclose a material defect that may not be addressed on this form.

This form is intended to assist Sellers in complying with the disclosure requirements and/or to assist Buyers in evaluating the property being considered. As such, certain information may be beyond the basic disclosure requirements found in the Law. A Seller who wishes to review the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. In any event, Seller(s) must disclose all known material defects with the property.

If an item of information is unknown or not available to Seller and Seller has made an effort to ascertain it, Seller may make a disclosure based on the best information available provided it is identified as a disclosure based on an incomplete factual basis.

A material defect is an issue/problem with the residential real Property or any portion of it that would have a significant adverse impact on the value of the residential real Property or that **INVOLVES AN UNREASONABLE RISK TO PEOPLE ON THE LAND OR PROPERTY**. The fact that a structural element, system, or subsystem is near, at, or beyond the normal useful life of such structural element, system, or subsystem is not by itself a material defect. When completing this form, check "yes," "no," "unknown (unk)," or "not applicable (N/A)" for each question. If a question does not apply to the property, "N/A" should be selected. "Unknown (unk)" should only be checked when the question does apply to the property but the Seller is uncertain of the answer.

21. COMPLIANCE WITH REAL ESTATE SELLER DISCLOSURE LAW

In Pennsylvania, a Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law. These requirements are generally described in the notice found on the first page of this document. This law requires the Seller in a residential transfer of real estate to make certain disclosures regarding the property to potential Buyers. The notice is to be provided in a form defined by law and is required before an agreement of sale is signed. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where not less than one (1) and not more than four (4) residential dwelling units are involved. In transactions involving a condominium, homeowners association, or cooperative, the disclosure is to specifically refer to the Seller's Unit. Disclosure regarding common areas or facilities within such associations are not specifically required in this Disclosure Statement. However, compliance with the requirements that govern the resale of condominium, homeowner association, and cooperative interests is required as defined by the Uniform Condominium Act of Pennsylvania, the Uniform Planned Community Act of Pennsylvania, and/or the Real Estate Cooperative Act as such Act may be amended.

Seller(s) shall attach additional sheets to this Disclosure Statement if additional space is required for their answer to any section herein and these sheets are considered part of this Disclosure Statement. The undersigned Seller(s) represents that the information set forth in this Disclosure Statement is accurate and complete to the best of the Seller's knowledge. The Seller hereby authorizes the Listing Broker to provide this information to prospective Buyers of the Property and to other real estate agents. THE SELLER ALONE IS RESPONSIBLE FOR THE COMPLETION AND ACCURACY OF THE INFORMATION CONTAINED IN THIS STATEMENT. The Broker, Agent, and/or West Penn Multi-List, Inc. are not responsible for the information contained herein. THE SELLER SHALL CAUSE THE BUYER TO BE NOTIFIED IN WRITING OF ANY INFORMATION SUPPLIED ON THIS FORM WHICH IS RENDERED INACCURATE BY A CHANGE IN THE CONDITION OF THE PROPERTY FOLLOWING THE COMPLETION OF THIS FORM. THE SELLER SHALL PROMPTLY NOTIFY THE BUYER OF ANY SUCH CHANGES IN THE CONDITION OF THE PROPERTY.

West Penn Multi-List, Inc. has not participated, in any way, in providing information in this statement. Seller is responsible to complete this form in its entirety. Every Seller signing a Listing Contract must sign this statement.

2 **SELLER Katherine A. Fisher**

3 **BUYER**

4 **1. TITLE**

5 Notwithstanding the default language of the Agreement of Sale regarding title to the Property, Seller will not warrant title to any oil,
6 gas and/or mineral rights/interests regardless of whether they are conveyed, excepted or reserved. Buyer is advised to conduct an
7 investigation as to the history of the ownership rights/interests and status of the oil, gas and/or mineral rights/interests pertaining to
8 the Property.

9 **2. TITLE SEARCH CONTINGENCY**

10 (A) Buyer understands and acknowledges that the warranty of title in the Agreement of Sale does not pertain to the oil, gas and/or
11 mineral rights/interests that have been excepted. Seller will not defend title to these rights/interests and does not covenant that
12 Buyer will have quiet enjoyment of these rights/interests.

13 (B) A typical title search examines transfers made during the previous sixty years and may not specifically research surface or subsur-
14 face rights that have been sold or leased by a previous owner. Buyer is advised to ask their title agent about the scope and depth
15 of the title search performed prior to deciding whether to waive or elect a title search contingency pertaining to oil, gas, mineral
16 and/or surface rights.

17 (C) Buyer may elect, at Buyer's expense, to conduct an investigation of the history of the ownership rights/interests and status of the
18 oil, gas and/or mineral rights/interests to the Property to be performed by a properly licensed or otherwise qualified professional.

19 **WAIVED.** Buyer understands and acknowledges that Seller may not own all oil, gas and/or mineral rights/interests to the
20 Property and that Buyer has the option to make this Agreement contingent on receiving a certain interest in the oil, gas and/or
21 mineral rights/interests. **BUYER WAIVES THIS OPTION** and agrees to the **RELEASE** in the Agreement of Sale.

22 **ELECTED.** Investigation Period: _____ days (60 if not specified) from the Execution Date of the Agreement of Sale.

23 1. **Within the Investigation Period,** Buyer will have completed an investigation of the ownership rights/interests and status
24 of the oil, gas and/or mineral rights/interests to the Property. Buyer will pay for any and all costs associated with the title
25 search.

26 2. If the result of the investigation demonstrates terms that are unsatisfactory to Buyer, Buyer will, **within the stated Investigation**
27 **Period:**

28 a. **Accept the Property** and agree to the **RELEASE** in the Agreement of Sale, OR

29 b. **Terminate the Agreement of Sale** by written notice to Seller, with all deposit monies returned to Buyer according to the
30 terms contained in the Agreement of Sale, OR

31 c. Enter into a mutually acceptable written agreement with Seller as acceptable to the lender(s), if any.

32 **If Buyer and Seller do not reach a written agreement before the conclusion of the Investigation Period, and Buyer does**
33 **not terminate the Agreement of Sale by written notice to Seller within that time, Buyer will accept the Property and**
34 **agree to the terms of the RELEASE in the Agreement of Sale.**

35 **3. EXCEPTION (IF APPLICABLE)**

36 (A) Buyer is aware that the following oil, gas, mineral and/or surface rights/interests have been previously leased, assigned, sold or
37 otherwise conveyed by Seller or a previous owner of the Property (exceptions) and cannot be transferred to Buyer: _____
38 _____
39 _____
40 _____

42 (B) Buyer acknowledges that Seller may not own 100% of all oil, gas, mineral and/or surface rights/interests to the Property and agrees
43 that, notwithstanding the default language of the Agreement of Sale regarding title to the Property, Buyer will accept only the
44 rights/interests and title that Seller is able to convey, free and clear of all other liens, encumbrances, and easements, subject to the
45 exceptions referenced above.

46 **4. RESERVATION OF RIGHTS/INTERESTS (IF APPLICABLE)**

47 (A) Buyer acknowledges that Seller is reserving and retaining ownership of the following oil, gas and/or mineral rights/interests and
48 royalties and is not transferring them to Buyer. The rights/interests being reserved and retained by Seller include the right to receive
49 royalties regarding the same, unless otherwise stated below. This reservation will be executed in its entirety at settlement.

COAL, OIL, GAS AND/OR MINERAL INTERESTS/RIGHTS DISCLOSURE STATEMENT

PROPERTY ADDRESS 501 Farndale, O'Hara, PA 15238
OWNER(S)/SELLER(S) Katherine A. Fisher
BUYER(S) _____

This form is not a substitute for the West Penn Multi-List, Inc. (WPML) Seller Disclosure Statement, but rather is a supplement to the disclosure forms required by the Pennsylvania Seller Disclosure Law as may be amended. The WPML is not responsible for the information contained herein. This form is to be completed by Seller and thoroughly reviewed by Buyer, and the bottom of each page should be initialed by both Buyer and Seller following this review. Surface and subsurface rights may be transferred together, but sometimes they are transferred separately. Despite the best intentions of Sellers, property owners are often not aware of the precise extent of the coal, oil, gas and/or mineral interests/rights that they may or may not own. The following has been completed by Seller to indicate Seller's knowledge of and intentions about the coal, oil, gas and/or mineral interests and/or rights for the Property. This form is not a substitute for any inspections or warranties that Buyer may wish to obtain. Buyer has the right and opportunity to obtain a complete mineral/oil and gas title search to verify the chain of title of the mineral/oil and gas rights for the subject Property. The responses provided below are given to the best of Seller's knowledge and may not reflect all coal, oil, gas and/or mineral interests/rights for the Property. The statements contained herein are not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker, their licensees or the WPML. Buyer is advised to conduct a full examination of coal, oil, gas and/or mineral interests/rights for the Property.

Buyer further acknowledges his/her right to obtain a title search and/or to conduct a complete examination of all coal, oil, gas and/or mineral interests/rights for the Property.
